

- Highlight on Heritage -

Saturday, February 11th

10am to 6pm

Bay Court, Bramalea City Centre

Historic Bovaird House looks forward to participating again in '*Highlight on Heritage*', the seventh year for this popular annual event.

Each year various local heritage groups stage colourful displays with knowledgeable volunteers on hand to answer questions about local Brampton and Peel County history. Visitors are encouraged to ask questions, learn interesting historical facts about their city, their neighborhood, their street, maybe even their own house!

Have your photograph taken with one of the numerous period costumed volunteers, they'll all be happy to pose with you. Children are encouraged to spend a few minutes seated in a 'not so comfortable' 19th century school desk and maybe try on the 'dunces' cap for size!

Stop by for a visit . . . all the volunteers look forward to seeing *you*.
